Shady Lane Park - Water Sprayground

Once more, the sizzling heat of summer is getting ready to give way to a glorious autumn, and Houstonians are out and about in the great outdoors. Here on the Gulf Coast, this is one of the best times of year, and the facilities and programs offered in Houston parks give you many ways to enjoy the perfect weather. No matter whether you are an active youngster, a senior full of pep, or an adult who wants to stay in shape, this catalog offers activities for everyone's taste in active and passive recreation.

Houston's 370 developed parks offer plenty of room to run and play, and many have playgrounds, ball fields, water spraygrounds, tennis courts and disc golf courses for public use. Free sports programs for youth include soccer, baseball, and tennis. After School Enrichment is available for children ages 6 – 13 at community centers all over town, again, free of charge. You will find the facts inside the pages of this catalog.

Seniors who want to stay active through their retirement years have choices, too. With crafts classes and exercise opportunities like line dancing, pickle ball and Tai Chi, HPARD's community centers are a vital resource in an active senior's life.

Staying fit and healthy is not just child's play, or an option for retirement. Ready to stretch your muscles and your prowess by taking part in a team sport? Adult sports leagues give you several options. What better time to run the bases or kick a ball than in the autumn air in Houston?

Don't forget the Houston Parks and Recreation Department offers up camping and outdoor activities in the woods at Lake Houston Wilderness Park, a 5,000-acre park a few miles north of the city. Campers can take advantage of a broad range of options, from rustic sites where you can pitch a tent to spectacular cabins where you can unwind from the stress of urban life in a peaceful forest. And, the Nature Center offers a variety of learning experiences for young and old alike.

Houston is a great place to have an active life outdoors, and autumn is a great time to enjoy it! I hope you find opportunities for everyone in your family in this catalog and that you never forget the simple joys of play!

Joe Turner, Director
Houston Parks and Recreation Department

WATER SPRAYGROUNDS

The Houston Parks and Recreation Department's water playgrounds provide an engaging and interactive fun activity year-round for children, especially during the hot summer months. Water playgrounds have distinct advantages over swimming pools in that they are cost effective, low maintenance, and water-play activities extend well beyond normal pool season. Water playgrounds are controlled using a timer and touch-sensor. The timer is set for 12 hours of water activation. The touch-sensor turns on the water for a two to three minute cycle.

H-E-B Grocery Company has generously donated more than \$1.1 million to the Houston Parks and Recreation Department through the Houston Parks Board Inc., to create and build additional water playgrounds in Houston city parks. These are brightly colored facilities featuring equipment that squirts, sprays, mists and shoots water. Children will be able to enjoy everything from oversized flowers that mist to a whale that spouts and squirts water and in-ground elements that resemble geysers.

LAKE HOUSTON WILDERNESS PARK

Lake Houston Wilderness Park (LHWP) is a beautiful, lushly forested expanse of nearly 5,000 acres located four miles east of New Caney (approximately 30 miles north of Houston) off of Hwy-59. Lake Houston Wilderness Park is the only park in the department's inventory that allows overnight camping. It offers a variety of outdoor learning experiences for people of all ages including: camping, hiking, trail running, mountain biking, canoeing, kayaking, birding, fishing and horseback riding (visitors must bring own bikes, fishing equipment, watercraft and horses). Most of the park is heavily forested with beautiful trails which provide a perfect setting for photography, nature study, bird watching, and relaxing.

The Lake Houston Wilderness Park Nature Center is an incredible place to visit and learn about some of the woodland creatures that call LHWP home. Tour the Ecosystem Displays which include the Wetlands Ecosystem Room featuring live fish, turtles and amphibians; the Invertebrate Room, which features mounted insects of all types including moths, butterflies, spiders, beetles and more; the Reptile Room, containing live specimens of both venomous and non-venomous snakes as well as several lizards; the Nature Center classroom; and, Eye on the Wilderness, an exciting display of local flora and fauna with lighting and sound effects. GOLF COURSES

The Houston Parks and Recreation Department provides 7 challenging golf courses for citizens' enjoyment. From the highly acclaimed Memorial Park (the #1 municipal course in the state!), to the well maintained and lower priced Brock Park and Gus Wortham Park courses, there is something for every golfer.

Memorial, Hermann, and Gus Wortham are all located inside the loop. Sharpstown, one of Houston's most popular and most walkable courses, is close in on the Southwest side. Brock offers opportunities to Northeast golfers, while Glenbrook provides a venue in the Southeast area of the City. Melrose, in the North Central part of the city, offers a chance to practice short-game skills with its 18 par -3 holes. All courses except Glenbrook have driving ranges. All have practice putting and chipping greens. Pro shops are available at all courses. Dining facilities are available at all courses except Melrose.

All courses are non-metal spike facilities. Weekday fees apply Monday through Thursday. Weekend fees apply Friday through Sunday, and all city holidays. Junior (under 18) and Senior (65 – older) rates are offered on weekdays only. Twilight start times vary by season and courses. Call individual courses for more information. For tee time reservations log on to www.houstonparks.org and access the tee time reservation system. This innovative tee time system includes Memorial, Sharpstown, Brock, and Gus Wortham. For tee times at other courses call the pro shop. For information on all the courses, visit www.houstonparks.org. Lessons from qualified instructors are available at all courses. Tournament and corporate outings may be scheduled by calling any of the courses.

(Note: Prices are subject to change without notice. Extra fee applies for use of electric golf car.)

Memorial Park Golf Course

Memorial Park Golf Course began in 1923 as a 9-hole sand green course built near the hospital at Camp Logan. In 1935, in an ambitious effort to enhance parks across the city, the Houston Parks and Recreation Department began constructing an illustrious 18-hole golf course. In July of 1936, the first ball was teed off on what architect John Bredemus called his "greatest golf course ever."

Through the years, Memorial Park Golf Course hosted many famous golfers like Arnold Palmer, Babe Didrikson, and Charlie Sifford. It also hosted the Houston Open PGA Tour event from 1951 to 1963. In 1995, a newly renovated 260-acre course opened with a lighted driving range, putting and chipping greens, and a beautiful new clubhouse facility featuring an expanded pro shop and a Beck's Prime Restaurant.

Today, Memorial Park Golf Course is known as one of the best municipal courses in the nation and is visited by more than 60,000 patrons each year. Houston is proud to call Memorial Park Golf Course the crown jewel of Memorial Park. Memorial Park Golf Course is closed on Tuesdays. Tee times are available online at www.houstonparks.org. Hermann Park Golf Course
Hermann Park Golf Course is a jewel nestled in the center of the Bayou City. Since 1922, this lush parkland course has been at the center of a rich tradition of golfing excellence. The course was fully renovated in 1998.

The new clubhouse is located at the corner of Almeda and North MacGregor and from there you set out on this short but challenging and enjoyable course. Water toughens the course, coming into play on half the holes.

You'll find no more enjoyable way to experience George Hermann's legacy than playing this 18-hole oasis in the very heart of Houston.

Hermann has a driving range, practice putting green, pro shop and complete snack bar. The Hermann Park Golf Course is managed for HPARD by BSL Golf Corp. Sales tax is additional on all fees. Gus Wortham Park Golf Course
Come play on living history. Gus Wortham opened in 1908 as the original Houston Country Club. Today, Gus Wortham is the oldest continually operating 18 hole course in the state. Gus Wortham provides challenges not regularly found in Houston. Elevated tees and uphill carries to greens make you use all your clubs. The course is relatively wide open, making it attractive for all levels of golfers. The front 9 features 3 consecutive par 5 holes, 2 of which you may want

to go for in 2. Your shot-making skills will be tested on several of the "short but challenging" par 4 holes. Playing to more than 6,400 yards, Gus Wortham is a fun course, located only minutes from downtown and inside the loop.

A full driving range is available for practice or warming up. Additional practice areas include a putting green, chipping green and practice bunker. The pro shop staff are available for lessons. Gus Wortham has a fully stocked pro shop and full snack bar.

Sharpstown Park Golf Course

Welcome to Sharpstown Park Golf Course, Houston's "Best Golfing Value." Sharpstown has earned this reputation by providing outstanding customer service and excellent facility conditions, while offering some of the lowest fees in the Gulf Coast area. Sharpstown Golf Course is located in the heart of southwest Houston, one mile west of Hwy 59 and just 1 block north of Bellaire Blvd. on Harbor Town Drive. Sharpstown's convenient location allows for quick access from anywhere in the

greater Houston area. Recent improvements at Sharpstown include new cart paths, improved drainage, and resurfaced greens with high quality mini-verde ultra-dwarf bermuda. The 18 hole, par 70 course has 4 sets of tees, allowing moderate degrees of difficulty for the novice and beginner, yet enough length (6,660 from the back tees) to test the avid and skilled player.

Brock Park Golf Course

Brock Park is one of Houston's "Best Kept Secrets." Quietly tucked in northeast Houston, far from the noise, but less than 20 minutes from downtown, this tree-lined course has been one of the City's fine municipal courses since 1972.

Brock plays to 6,427 yards with elevation changes unlike most courses in the area. It combines risk and reward on many holes, and requires good shot selection and execution on others. Greens Bayou comes into play on 4 holes, and creeks cross 4 others. Good scores can be found at Brock, provided you stay out of the trees!

A driving range is available for practice or for warming up. Additional practice areas include a putting green, chipping green and practice bunker. The pro shop staff is available for lessons. Brock Park is a non-metal spike facility with a fully stocked pro shop and snack bar.

GARDENS

McGovern Centennial Gardens

The existing 15-acre Garden Center site will be reborn as the Centennial Gardens in celebration of Hermann Park's 100th birthday.

When completed, the new Centennial Garden will delight visitors with traditional features like the rose garden, and new areas to explore including an interactive family garden and a sculpture promenade featuring public art donated by countries around the world.

The Centennial Garden project is being funded through HPARD's partner, the Hermann Park Conservancy.

Following national searches, a renowned design team has been assembled and includes: Hoerr Schaudt, the Chicago landscape architecture firm, is collaborating with White Oak Studio in Houston on the gardens' design, with Dr. William C. Welch of Texas A&M University consulting. A new entry pavilion will be designed by architect Peter Bohlin of Bohlin Cywinski Jackson.

For more information on the new Centennial Garden project visit www.hermannpark.org/centennial_gardens.php.

Japanese Garden at Hermann Park

Nestled in a pine grove near the Sam Houston Monument in Hermann Park is an island of serenity known as the Japanese Garden.

Designed by world-renowned Japanese landscape architect Ken Nakajima, the garden was built to symbolize the friendship between Japan and the US, and to recognize Houston's thriving Japanese community.

The Japanese Garden in Hermann Park is built in the Daimyo Style, a traditional design that dates back to the 17th, 18th, and 19th century stroll gardens. Like most stroll gardens, this 5-acre oasis is designed around a sequence of landscape elements, which combine together to create a work of living art.

THE JAPANESE GARDEN IS NOT AVAILABLE FOR RENTALS.
